**October 11, 2010**

**Security Advisory**

It is reported that commercial areas such as Spinnies, Finest Alpha, and the Gandamak Super Markets are still considered targets for Vehicle Borne Improvised Explosive Device (VBIED). Further, a definite Body Borne Improvised Explosive Device (BBIED) threat has been identified targeting the International Security Assistance Force (ISAF)/Eggers areas.

All are advised to exercise utmost caution during the coming days. It is also advised to avoid the unnecessary movements to the above mentioned places.
