कार्यालय ज्ञापन

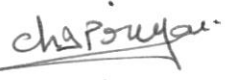

विषय: Invitation for Global Tender Notice for circulation in Embassies/High Commission of India for procurement of Pashmina testing equipment for Laboratory of Textiles Committee, Delhi (NCR) - reg.

I am directed to inform you that the Textiles Committee, Ministry of Textiles is going to set up Pashmina Testing Laboratory. Pashmina Wool being high cost, and fine wool produced in Chang Tang region of Ladakh, is facing exceptional challenges with respect to adulteration and lack of testing facility for its conformity assessment in India. Accordingly, the Textiles Committee has invited a Global Tender Enquiry (GTE) in CPP (Central Public Procurement) portal.

2. In this connection, it is requested that MEA may write to Indian Ambassador(s)/ High Commissioners of Embassies of those countries who could be potential suppliers of subject store. The Global equipment supplier list with respect to each equipment, Notice Inviting Tender is enclosed as **Annexure-I & II** respectively. The GTE can be accessed by searching string "Pashmina" on following url: <https://eprocure.gov.in/eprocure/app> and interested Original Equipment Manufacturers (OEMs) will have to participate in the Tender online only through CPP portal.

3. MEA's support is solicited for giving wide publicity to the said Global Tender Enquiry in order to solicit maximum response from quality Original Equipment Manufactures.

Encls. As above
