

HOME EXPO INDIA - Organized by EPCH - Export Promotion Council for Handicrafts, from 15-19 April 2020 at India Expo Centre EXPO XXI, India, Delhi

Home Expo India will be held for four consecutive days at India Expo Centre and Mart in Greater Noida, New Delhi. This will be one of leading business to business consumer product show. Wide range of tableware, kitchenware, houseware and bathroom accessories will be displayed at this exposition. International buyers, leading manufacturers and exporters will share the same platform and will exchange various ideas related to this industry. This event will showcase the finest artistic elements and craftsmanship in harmony with innovative designs and latest products. More than 600 manufacturers of woodcraft, furniture and other related products will come under the same roof to display their products and services. Exciting products, best ideas and stimulating impulses is what this expo will offer to the attendees. This expo will have three consecutive shows, Indian Houseware and Decoratives Show, Indian Furnishings, Floorings and textiles Show and Indian Furniture and Accessories Show, under one roof at the same time that makes it a one stop expo for every attendee.
