

28th CONVERGENCE INDIA - Organized by Exhibitions India Pvt. Ltd, from 07 - 09 July 2020 at Pragati Maidan, New Delhi.

Convergence India is recognized as South Asia's largest event in the ICT sector. Future focused, the event constitutes various elements which universally attract stakeholders from across the industry, at all levels of organizations and from all over the world, for a truly global ICT platform. Organized by Exhibitions India Pvt Ltd, Convergence India is the only showcase in South Asia to propagate the convergence of delivery systems as the preferred platform for vendors, operators, service providers and IT companies. The event provides the stimulus for the expansion, upgradation and modernization of networks to make broadband easily accessible in urban, semi urban and rural areas. 22th Convergence India 2014 International Conference next year will have more than 100 speakers and will be an ideal platform to network with senior-level industry experts, peers, partners and even your competitors.
