WINGS India 2020

Ministry of Civil Aviation of India together with Federation of Indian Chambers of Commerce & Industry (FICCI) is organizing its flagship event, **WINGS India 2020** from 12-15 March, 2020 at Hyderabad, India.

The event will include an International Exhibition, Panel discussions, Roundtables, Global CEO Forum and B2B meetings. A ministerial plenary session on theme 'Connecting the World' will also be organized. The event aims to be a comprehensive platform for the civil aviation sector with strong participation from the global aviation ecosystem comprising global leaders from airlines, manufacturers, investors, vendors, cargo, space industry, banking institutions, skill development agencies and States & UTs of India.

Interested stakeholders of civil aviation sector and other related sectors are invited to participate in the event. More details about the event are available at:
