ADVISORY ON CORONAVIRUS (COVID-19)

Members of the Indian Community in the Kingdom of Bahrain are hereby advised to follow the Health Advisory issued by Ministry of Health, Kingdom of Bahrain regarding Coronavirus (COVID-19).

Precautions to reduce the risk of contracting Coronavirus

- Wash your hands regularly and thoroughly using soap and water. Use alcohol-based sanitizers.
- Clean and disinfect frequently used objects and surfaces such as door handles.
- Cover your mouth when coughing or sneezing, and dispose-off used wipes properly.
- Avoid contact with people experiencing a fever or suffering from a cough.

If you experience the following symptoms:

- Fever
- Cough
- Difficulty breathing
- And if you have travelled to one of the countries infected with the disease or have interacted with a person traveling from any of those locations, or interacted with an infected patient,

Please follow these instructions:

- Quarantine yourself at home, in a separate room
- Call 444
- Follow the instructions given by the medical team
- Avoid close contact with others
