SECURITY ADVISORY

<u>Highlights</u>

• Suicide Attack on US convoy in Kabul

<u>Details</u>

- 1. On September 8, 2006 at about 1040 hours in the morning, a suicide car bomber targeted a Humvee convoy on patrol duty in Kabul. In the incident, at least 10 Afghani civilians were killed and 17 others wounded. Two American soldiers were killed and two others wounded.
- 2. The suicide attack took place a few feet from the Massoud circle, about 600 feet from the entrance to the U.S. Embassy. The bomber rammed his car directly into a Humvee which completely destroyed the military vehicle and created a 6-foot wide crater in the road. The shrapnel shot out in all directions injuring bystanders and the intensity of the attack shattered windows and glass panes of the nearby houses and apartment complexes. Taliban has claimed responsibility for the attack.
- 3. All Indian nationals residing in Kabul are advised to undertake security precautions and avoid movement unnecessarily around the above mentioned area as has been advised on Sept 6 and 7 in our advisories. They should maintain safe distance from military/ ISAF/ NATO/ American convoys while traveling on road as they are the prime targets and avoid crowded market places and bazaars as these could be potential targets

In comparison, from July to December 2005, 22 suicide attacks were staged which killed 24 people and wounded 60 others last year. Further, the number of suicide attacks has risen sharply since July 1, 2006 with militants staging 27 suicide bombings, killing 98 people and wounding 188 others till date.
- 2. Afghanistan was hit by three devastating suicide bomb attacks on September 18, 2006, killing 18 people and wounding more than 60, many of them children, in one of the country's worst days of violence against civilians.
- i. In the first incident, which occurred around 0930 hours, four Canadian soldiers were killed in an explosion by a suicide bomber on a bicycle when Canadian soldiers were foot patrolling outside a school, handing out pens, candy and notebooks to children. The bicycle borne bomber rode into the crowd with an explosives crate tied on the back of his bike. The incident occurred in village Char Kota, in Pashmul area of Kandahar in southern Afghanistan. 38 persons were wounded including 11 soldiers and 27 villagers, many of them children. This area had been just recaptured from the control of Taliban fighters after two weeks of heavy fighting by NATO troops.
- ii. The second incident occurred when another suicide bomber struck in Herat, killing 11 people and wounding 18 others. The attack in Herat came at 1900 hours as people were leaving the main town mosque, the Masjir-e-Jame, after evening prayers. Most of those killed were young men and the wounded included a 4-year-old boy.
- iii. In the third incident, a suicide bomber blew up his Toyota Corolla explosive laden car in Udh Kheyl area on Jalalabad road in Kabul around 1715 hours. In the incident, the car detonated against the back of a truck carrying a container. In the explosion, three policemen were killed and eight civilian passers-by were also wounded.

- 3. Indian Nationals residing in Afghanistan are advised to keep themselves abreast of latest developments through local print and visual media of the developing security scenario in the country. There has been a sudden rise in number of suicide attacks against Military/ISAF/CF/American convoys in September, 2006. Further, trends indicate that suicide attacks would continue in the near future also. Hence, as has been indicated in our advisories time and again, special care would need to be taken on road travel and safe distance should be kept from all Security Forces convoys as they remain prime targets. Indians undertaking project execution are advised to travel with adequate protection during their road movements.
- 4. The Embassy of India is in the process of updating Email IDs of Organizations/individuals working and residing in Afghanistan and those desirous of getting their Emails included for Security Advisories are requested to mail their Email Addresses with full name to the undersigned at the earliest. In case they want to add names of their friends and colleagues in Afghanistan, they may also mail the undersigned their Email addresses for inclusion in the mailing list.
