PRESS RELEASE

Department of Science and Technology, Government of India, through the Science and Engineering Research Board has launched a scheme titled VAJRA (Visiting Advanced Joint Research) Faculty to tap the expertise of Overseas Faculty/scientists.

2. The Scheme offers adjunct/visiting faculty positions to overseas scientist/faculty/R&D professional Institutions in India. The Scheme is expected to undertake collaborative research in frontier areas of S&T including the interdisciplinary areas such as energy, water, environment, health, security, nutrition, waste processing, advanced materials, high performance computing, cyber-physical system, smart machines and manufacturing etc.

3. Applications for the Scheme are open for submission from 1st July 2017 onwards through www.serbonline.in. The Scheme details are available at www.vajra-india.in. Copy of brochure could be downloaded from this site. The applicants should directly submit their applications through the website www.serbonline.com.
